Dear Praying Friends,

We thank the Lord that we had **59 people make a profession of faith** at Lupita's quinceñera (15th) birthday. It was a blessing to see the many people that participated in helping Lupita from the Annabel de Vallejo Home have such a nice birthday. **This same week we had a total of 399 saved with 129 people out soul winning.** Praise the Lord!

We are planning our own Spring break camp March 29th-April 2nd. We will be taking the church teenagers and children from our church to our children's home land near Lake Chapala. Please pray that many will make long lasting decisions for Christ. Please pray for the funds for the 46 children of the **Annabel de Vallejo Home** to be able to attend. Your extra gift of \$25.00 would make it possible for them to attend camp.

We are so thankful to the many of you that have written us or emailed us to let us know of your prayers and care for us in the loss of my Father-in-Law, Dr. Roland Garlick. We truly are grateful to our Lord for the many friends the Lord has given us. Joy and I have lost all of our parents in the last 3 ½ years and 3 of them in the last year and a half. We truly appreciate having you as part of our extended family of friends, Your prayers mean so much to us.

We are planning and working on some new ministry opportunities to be able to reach more souls for Christ here in Guadalajara, Mexico, and in the Spanish world. We are excited about them and ask that you would pray for wisdom and that God will direct. We are also excited about having our good friend Dr. Tommy Ashcraft preach our Family Conference May 6th-8th. Please pray that the Lord will use this conference to help our church family and the other churches in the area that will be attending.

We ask that you would pray for the following special request that we have.

1. Joy and I are having some health issues that we ask you to pray for. We both are needing some minor surgery.
2. We ask that you pray that we would be allowed to adopt Becky. (she is already living with us and is being homeschooled along with our other children.) It will take a great miracle for the adoption to be approved, so we ask you to pray.
3. For the Lord to continue to provide for the extra expenses we have had this year in medical expenses and travel to the funeral.

We thank you so much for each of you that make it possible for us to be serving the Lord here in Guadalajara, Mexico. Each soul that has been saved, and each child that has found a home, and each life that has been rescued is a direct result of your investment. We thank God for you, and trust that He will bless you for the blessing you are to us.

Yours for souls,
Robert Murillo
